"Inspiring Minds: A Message from the Principal's Desk"

Mrs. Usha Sinha

Dear Students, Parents and Teachers Greetings!

It gives me great pleasure to welcome you to this edition of our school e-newsletter, which showcases the many achievements, learning experiences, and memorable moments that enrich our school community.

At our school, education goes beyond academic excellence. We are committed to nurturing curious minds, strong values, and essential life skills that empower our students to become confident, compassionate, and responsible individuals.

The pages that follow reflect the enthusiasm, creativity, and dedication of our students as they participate in a wide range of academic, cultural, artistic, and sporting activities.

Their accomplishments are a result of their hard work, the guidance of our committed teachers, and the unwavering support of our parents.

I extend my heartfelt gratitude to our staff and parents for their continued partnership in creating a positive and inspiring learning environment.

Together, we are helping our children grow into lifelong learners and responsible citizens.

As you explore this newsletter, I hope you take pride in the achievements and special moments that make our school a vibrant place of learning and growth.

"The greatest gift we can give our children is not merely knowledge, but the confidence to pursue their dreams, the courage to face challenges, and the wisdom to make a positive difference in the world."

Words of Wisdom: A Message from the Vice Principal

Mrs. Sonal Waghela

“Little Steps, Big Learning”

The pre-primary years are filled with small but meaningful milestones. A child learning to hold a crayon, say “thank you,” wait for their turn, or make a new friend—each of these moments matters.

At this stage, learning is gentle and joyful. It happens through stories, songs, play, and everyday interactions. Children are not just learning letters and numbers, but also how to express themselves, how to listen, and how to feel confident in a new environment.

In school, we make a conscious effort to create a space where children feel safe, happy, and eager to come each day. When children feel secure, they naturally explore, ask questions, and learn better.

The support of parents plays a very important role in this journey. When home and school work together, children feel encouraged and grow with confidence.

These early years may seem small, but they build the base for everything that follows. With care, patience, and encouragement, our little learners take their first big steps towards the future.

Mrs. Rakhee Koshti

Leading with Purpose: A Message from the Supervisor's Desk

It is a moment of great joy and pride to connect with you through our school's e-newsletter.

This newsletter is a beautiful window into the vibrant world of our school, where learning goes beyond classrooms and every day brings new opportunities to discover, create, and grow.

As a supervisor, I feel privileged to be a part of this wonderful journey where our young learners are encouraged to express themselves, develop new skills, and build confidence.

Our e-newsletter is not just a collection of events; it is a glimpse of the learning journey, values, innovations, and memorable moments that make our school community special.

It helps us celebrate the milestones of our students and appreciate the teamwork of our educators and parents.

Each page of this newsletter carries stories of imagination, achievements, celebrations, and the countless efforts that make our school a place full of happiness and learning.

My heartfelt thanks to the parents for being our constant partners in nurturing these young minds.

Let this newsletter remind us that every small step, every new idea, and every achievement adds a beautiful chapter to our school's journey.

Together, let us continue to inspire, empower, and celebrate the bright future of our children.

A Strong Start: Orientation for Holistic Early Learning

An Orientation Programme for the parents of the Pre-Primary section was held on 5th June 2026 in the AV Room, marking the beginning of a collaborative journey for the academic year 2026–2027.

The Principal introduced parents to the school's Vision and Mission, reflecting the institution's commitment to nurturing confident, compassionate, and lifelong learners. She also spoke about the significance of the Sustainable Development Goals (SDGs) and how they are thoughtfully woven into the school's learning experiences to encourage social responsibility and environmental awareness from an early age.

The Supervisor familiarized parents with the curriculum, assessment pattern, school policies, and the philosophy of Early Childhood Education. She also presented the exciting new initiatives for the academic year, including Speech & Drama, Mallakhamb, and a range of enriching programmes aimed at the holistic development of every child.

The programme concluded with an interactive question-and-answer session, providing parents with an opportunity to clarify their queries and reinforcing the strong partnership between the school and families for a successful academic year.

A joyful beginning to a wonderful journey.

“Tiny steps, big dreams!

A joyful start to a new adventure at Pearly Shells Preschool.

Smiles, laughter, and endless learning await”

At Pearly Shells Preschool, students were warmly welcomed by applying a ‘traditional tika’ at the entrance, marking the beginning of a new academic year with positivity and joy.

The day commenced with seeking God's blessings, praying for a year filled with happiness, good health, and successful learning.

The children then introduced themselves in their classrooms and enthusiastically shared their vacation experiences with their teachers and friends.

They also participated in engaging classroom games that encouraged interaction, confidence, and fun-filled learning.

The students further enjoyed outdoor activities, spending quality time playing, exploring, and bonding with their peers.

The first day of school was a wonderful blend of prayers, learning, socialization, and enjoyment, setting a positive and memorable tone for the new academic session.

First Day of the School

Wheels of Joy and Sustainability

Our School celebrated Bicycle Day with great enthusiasm and excitement.

The day began with an engaging discussion on the importance of bicycles as an eco-friendly, healthy, and enjoyable mode of transportation.

To mark the occasion, the children participated in a creative bicycle-making activity using candy sticks and various craft materials. The hands-on activity encouraged creativity, strengthened fine motor skills, and provided an opportunity for imaginative expression.

Adding to the fun, the students enjoyed riding bicycles in the atrium, filling the space with laughter, energy, and joy.

The celebration offered a perfect blend of learning and play, making Bicycle Day a memorable experience for all the young learners.

World Bicycle Day

Young Eco-Warriors in Action

Our Young Eco-Warriors celebrated Environment Day with enthusiasm, inspiring young learners to become responsible caretakers of the Mother earth.

Through interactive discussions, teachers introduced the children to the importance of protecting the environment and highlighted simple eco-friendly habits such as conserving water, planting trees, and practicing the 3Rs – Reduce, Reuse, and Recycle.

The celebration featured engaging hands-on activities that encouraged creativity and environmental awareness.

The children participated in a Seed Ball Making Activity, learning how small actions can contribute to a greener future.

Jr. KG students expressed their love for nature through sponge-dabbing tree art, while Sr. KG students created vibrant tree impressions using palm printing techniques.

The day was filled with learning, creativity, and fun, helping children understand the value of caring for nature and making environmentally conscious choices from an early age.

World Environment Day

Beyond the Classroom

Mallakhamb

As part of its commitment to holistic education, Thakur International School has introduced Mallakhamb as a new co-curricular activity for students.

This traditional Indian sport combines strength, balance, flexibility, agility, and concentration, offering a unique platform for physical and mental development.

Students have begun their Mallakhamb journey with warm-up exercises and basic techniques, enthusiastically embracing the challenges and excitement of this ancient art form.

Through regular practice, they will develop confidence, resilience, discipline, and teamwork while gaining a deeper appreciation for India's rich cultural heritage.

This initiative reflects the school's vision of nurturing well-rounded individuals through diverse learning experiences.

Beyond the Classroom

Speech & Drama

To nurture creativity, confidence, and effective communication skills, Thakur International School has introduced Speech and Drama as a new co-curricular activity for students.

Through engaging and interactive sessions, students are encouraged to express themselves freely using voice, movement, imagination, and role play.

Activities such as voice modulation, storytelling, creative expression, and dramatic play help enhance communication skills, self-confidence, stage presence, and emotional awareness.

This enriching initiative provides students with a platform to explore their creativity, develop public speaking skills, and build the confidence to express their thoughts and ideas effectively.

A Father's Care, Beyond Compare.

Father – a very significant person in our lives.

Father's Day reminds us of the love, care, guidance, and support that fathers provide every day.

On 19th June 2026, the Little learners of Pearly Shells celebrated Father's Day with love and enthusiasm.

The little ones expressed their gratitude and affection for their fathers by creating beautiful handmade greeting cards.

The activity was filled with joy, creativity, and excitement as the children proudly showcased their creations.

It was a heartwarming celebration of the special bond between fathers and their children, creating memories to cherish forever.

Father's Day

Yoga with Grace, Happiness in Every Place.

Yoga – The Best Way to Keep Oneself Healthy

On 19th June 2026, the Tiny Tots celebrated International Yoga Day with great enthusiasm.

The children were introduced to the importance and benefits of yoga and actively participated in simple yoga asanas and breathing exercises.

The session promoted physical fitness, concentration, and inner calm, encouraging the young learners to embrace healthy habits from an early age. It was a joyful and energizing experience for all.

International Yoga Day

Montessori Learning: Sharing Knowledge with Friends.

Montessori Way Activity – Learning About the Rainy Season

As part of a Montessori Way Activity, the Sr.KG students took on the role of little teachers and guided the Jr. KG students in learning about the rainy season.

Through interactive discussions and presentations, they shared information about rain, thunder, lightning, raincoats, umbrellas, gumboots, paper boats, rainbows, and rainy-season creatures such as frogs, snails, and earthworms.

The activity encouraged peer learning, communication, and confidence while making the learning process engaging and enjoyable.

The younger children listened with great interest and enthusiastically participated in the session. It was a wonderful experience that fostered cooperation, leadership, and joyful learning the Montessori way.

Montessori way

Show & Share: *Little Speakers, Big Confidence*

Show & Share Activity – Parts of the Body and My Senses

Our Young Learners enthusiastically participated in a Show & Share Activity on the topics "Parts of the Body" and "My Senses." Each child confidently came forward to speak about different body parts and explained how our five senses—sight, hearing, smell, taste, and touch—help us explore and understand the world around us.

The activity provided a wonderful platform for children to express themselves, build self-confidence, and enhance their communication skills.

Through their presentations, they strengthened their vocabulary, improved their speaking abilities, and gained a better understanding of the importance of caring for their body and using their senses in everyday life.

The session was interactive, engaging, and filled with enthusiasm, making learning both meaningful and enjoyable. It was a delightful experience that encouraged confidence, active participation, and joyful learning among all the young learners.

*“More smiles,
more learning,
more memories await!”*
